Amend the title so as to read:

A bill to direct the Secretary of the Interior and the Secretary of Agriculture to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, and for other purposes.

PURPOSE OF THE BILL

The purpose of H.R. 4300 is to direct the Secretary of the Interior and the Secretary of Agriculture to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, veterans, and Gold Star Families.

BACKGROUND AND NEED FOR LEGISLATION

H.R. 4300 would provide free annual America the Beautiful Passes to current military service members and free lifetime America the Beautiful Passes to veterans and members of Gold Star Families. The America the Beautiful Pass provides access to more than 2,000 federal recreation areas, including our National Parks, National Forests, and Wildlife Refuges.

Although the America the Beautiful annual pass became free for veterans and Gold Star Families in 2020, this change for veterans has never been codified. H.R. 4300 would codify this practice and make them into lifetime passes instead of annual passes. The bill would also codify no-cost annual passes for current service members, which would then be converted into lifetime passes once they leave the military.

The bill was amended at markup to change the short title of the bill to the “Alexander Lofgren Veterans in Parks (VIP) Act” in honor of Mr. Alexander Lofgren, a Congressional staffer for Chair Raúl M. Grijalva who tragically lost his life during an outing in Death Valley National Park. After serving for four years in the U.S. Army as a combat engineer, and his deployment to Afghanistan in 2011, Mr. Lofgren returned home to Arizona to serve in Chair Grijalva’s office as part of the Wounded Warrior Fellowship Program, handling issues and constituent casework concerning veterans’ health care and benefits. As one of the greatest proponents for using our nation’s public lands as both a way for returning veterans to reconnect with nature and to heal, renaming this legislation after Mr. Lofgren is a fitting tribute to his legacy and service to our nation.

COMMITTEE ACTION

H.R. 4300 was introduced on July 1, 2021, by Representative Mariannette Miller-Meeks (R-IA). The bill was referred to the Committee on Natural Resources, and in addition to the Committee on Agriculture. Within the former Committee, the bill was referred to the Subcommittee on National Parks, Forests, and Public Lands. On July 13, 2021, the Subcommittee held a hearing on the bill. On July 14, 2021, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. Chair Raúl M. Grijalva (D-AZ) offered an amendment designated Grijalva-Westerman #1. The amendment was agreed to by unani-

mous consent. The bill, as amended, was adopted and ordered favorably reported to the House of Representatives by unanimous consent.

HEARINGS

For the purposes of clause 3(c)(6) of House rule XIII, the following hearing was used to develop or consider this measure: hearing by the Subcommittee on National Parks, Forests, and Public Lands held on July 13, 2021.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. Cost of Legislation and the Congressional Budget Act. With respect to the requirements of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974 and with respect to requirements of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has requested but not received a cost estimate for this bill from the Director of Congressional Budget Office. The Committee adopts as its own cost estimate the forthcoming cost estimate of the Director of the Congressional Budget Office, should such cost estimate be made available before House passage of the bill.

The Committee has requested but not received from the Director of the Congressional Budget Office a statement as to whether this bill contains any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures.

Congressional Budget Office staff have informed the Committee on a preliminary, informal, nonbinding basis that the bill would likely result in an insignificant change in direct spending.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goals and objectives of this bill are to direct the Secretary of the Interior and the Secretary of Agriculture to make free National Parks and Federal Recreational Lands Passes available to members of the Armed Forces, veterans, and Gold Star Families.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

UNFUNDED MANDATES REFORM ACT STATEMENT

An estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act was not made available to the Committee in time for the filing of this report. The Chair of the Committee shall cause such estimate to be printed in the *Congressional Record* upon its receipt by the Committee.

EXISTING PROGRAMS

This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

PREEMPTION OF STATE, LOCAL, OR TRIBAL LAW

Any preemptive effect of this bill over state, local, or tribal law is intended to be consistent with the bill's purposes and text and the Supremacy Clause of Article VI of the U.S. Constitution.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, as reported, are shown as follows (existing law proposed to be omitted is enclosed in black brackets, new matter is printed in italics, and existing law in which no change is proposed is shown in roman):
